| (3) Switches knife triple pole single throw—100 amps, with fuse arrangements mounted on slate base front connected | 14 Nos. |

Quotations may also be submitted for forward delivery and the time required for supply should be specified.

This enquiry will close on the 25th May 1932.

No. S. P. C. 15993-16020, dated 7th May 1932.

To

The Firms dealing in Hardware materials.

Dear Sir/Gentlemen,

Subject:—

No. 10 B. R. C. Fabric for reinforcement concrete roof.

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the attached schedule, which should conform to the specifications given therein.

It should be distinctly understood that the acceptance by us of your quotation will be subject to the following conditions:—

Withdrawal from the quotation after it is accepted or failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the levy of a penalty of 3 per cent of the value of the order as and by way of liquidated damages. In such an event, the Stores Purchase Committee reserve the right to remove your name from the list of approved firms.

The quotations should be superscribed "Quotations for No. 10 B. R. C. Fabric."

This enquiry will be closed on the 20th May 1932.

Schedule.

Item No.	Description of material offered	Quantity	Price quoted		Time of delivery
			F. O. R.	C. I. F.	
	No. 10 B. R. C. Fabric	15 rolls each 240' by 7'.	Bangalore		To be completed before 15th June 1932.

Specifications.—The material required is for covering the roof of pure water tank. The roof should be water-tight and the live load the roof should take is 95 lbs. per square foot. The fabric is a mesh to be supplied in rolls ready for use for reinforced concrete. The wire of the fabric must be hard drawn steel wire complying with B. S. S. The main wires must be rigidly held in position with transverse wires that are electrically welded. The working stress on the wire should be 25000 lbs. per square inch.

No. S. P. C. 16161-70, dated 9th May 1932.

To

The Firms dealing in Pressed Steel Tanks.

Gentlemen,

Pressed Steel Tank.

Please quote your best price and earliest time of delivery for the Pressed Steel Tank described below:—

One—Pressed Steel Tank 12' x 8' x 8' without top cover made of pressed steel plates 1/4" thick throughout complete with arrangements for in-let and out-let.

Detailed specifications together with sketch showing the dimensions of the tank should be submitted with the quotation.

Please note that the tank will be required to be delivered at destination before the 15th June 1932.

The price to be quoted should be for delivery f.o.r., Ajjampur, Mysore Railways.

This enquiry will close on the 20th May 1932.

No. S. P. C. 16196-211, dated 10th May 1932.

To

Firms dealing in casks and timber.

Gentlemen,

WHITE CEDAR WOOD CASKS AND PLANKS.

Please quote your best present day prices for planks and casks described below to be delivered free at the Government Central Distillery, Bangalore.

1. New white Cedar Casks of 60 to 65 gallons capacity each, made of one inch thick planks. Both bottoms should be of one and a quarter inch thick planks. Six strong hoop joints should be provided.

No required 200

2. White Cedar Wood Planks of 4 ft. x 4" x 1" free of all defects Rft. 2000

You should bind yourself by the following conditions of contract:—

1. The casks should be manufactured according to our specifications out of well-seasoned white cedar wood, should be sound and free from crevices or holes. They should be strong enough to withstand rough handling in transit.

2. The soundness of the casks should be guaranteed for one year during which period the defects, if any, due to either bad materials used or workmanship will have to be rectified by you at your cost. The decision of the Stores Purchase Committee on this point should be binding on you.

3. Supply of the materials should be completed before the 15th of June 1932.

4. You should remit a sum of Rs. 200 as earnest money to the State Huzur Treasury Officer, Bangalore, with the attached chalan form duly filled in, as earnest money in connection with your quotation. Should you succeed in securing the order the earnest money will be retained as security deposit in connection with the agreement to be executed by you under the following clause.

5. Withdrawal from your quotation after it is accepted or failure to execute the agreement will entail forfeiture of earnest money.

6. You should be prepared to execute an agreement undertaking to abide by the conditions of the tender and guaranteeing the proper performance of the contract as a security for which the earnest money referred to above will be retained as deposit.

7. Failure to make the supply within the specified time or according to specifications will entail cancellation of the order and purchases being made at your expense from other sources in addition to the forfeiture of the security deposit and the levy of a penalty of three per cent of the value of the order as and by way of liquidated damages.

Tenders should be superscribed "Tender for Casks and Cedar Wood Planks" and should reach this office on or before the 17th May 1932.

N.B.—Challan forms can be had on application to the Secretary, Stores Purchase Committee, Bangalore.

Yours faithfully,

M. S. RAMCHENDRA RAO,

Secretary,

Stores Purchase Committee.

Notice No. S. P. C. 15856, dated 4—5th May 1932.

The Stores Purchase Committee are in the market for one Electric Lift required for the Krishnarajendra Hospital. Intending tenderers may apply to the undersigned for copies of specifications and blue prints early as the closing date of tender is fixed on 11th July 1932.

By Order,

M. S. RAMCHENDRA RAO,

Secretary,
